

CCNA: 2020 Vision - A Virtual Tour

September 18, 19 & 20, 2020

Volunteers Required

CCNA needs a whole big bunch of volunteers to perform various duties throughout our virtual online convention. We can draw upon your strengths and find a task that best suits you. We will provide the training. We anticipate a shift will be 2-3 hours.

You will need access to a stable internet connection using either a computer or tablet to be most effective in participating as a trusted servant for our virtual convention.

We will be holding a short information session for those who want to know more about the tasks and skills required. We will follow up that session with actual training sessions for those who wish to move forward and make a commitment to serve during the convention.
