Thank You So Much!

CCNA Trusted Servants wish to thank all the members who joined us in Richmond BC for a celebration of recovery. Despite early setbacks with hotel changes, we came together and felt the love, experience, strength and hope that our fellowship continues to freely share. From the events to the recovery meetings, the food – wow, the laughter, the hugs, the one on ones and the giant meetings, we felt the unity, and we heard our message over, and over again. Thank you so much to so many for making this a spiritual event to remember.

Speaker Recordings

Many members have prepaid for recordings of the meetings from CCNA in Richmond, BC. When you made your purchases, you should have received a letter stating when the downloads would be available and how the coupon codes work that we gave to you to use online in our store. Here is the announcement you have been waiting for; you can now visit our [website](#) and click on recordings and find the selection of recordings from this year and past years. You can purchase single recordings or the full package. If you have a coupon code, use it as a payment method when you go through the online check out. Remember, your code is on your receipt and in the letter, we gave you, with the instructions.

If you don't have a coupon code, no worries, you can use your major credit card and make the same purchases. Enjoy the message again and again.

Convention Survey

It would be our pleasure if you were to take our survey on your experience attending CCNA this year and in recent years. We want to do our very best to offer you an amazing convention. To that end your input would be valuable to us. Please take a couple of minutes and share your thoughts with us.

Canadian Convention of NA

Hotel Accommodations

We have secured a very good group rate at the host hotel for our members. The rate of \$199.00 plus taxes per night for single or double occupancy and will only be available for short time, or until we fill our block, whichever comes first. We encourage you to take advantage of this opportunity before it's too late. You can book your rooms now using [this unique link](#) or call the hotel directly and mention CCNA – Canadian Convention or check our website.

Newsletter

Be sure to sign up for our [newsletter](#) to receive updates on everything CCNA.
