## Hotel Accommodations

We have secured a very good group rate at **Delta Beauséjour** for our members. The rate of \$199.00 plus taxes per night for single or double occupancy will only be available for a short time, or until we fill our block. This block of rooms is moving fast, it will likely sell out. We have secured this special rate for stays as early as September 15 and as late as September 22. So, make it a vacation. At this point reservations have been brisk. We encourage you to take advantage of this opportunity before it's too late.

You can book your rooms now using [this unique link](#) or call the hotel directly and mention CCNA – Canadian Convention or check our website.

## Make It A Vacation

With so many places so close you might want to make this a vacation. Moncton is 80 min from the Confederation Bridge in PEI, 2.5 hours from Halifax, NS, and 90 minutes from Saint John. There is much to experience. As an international airport, you can fly to and from many destinations. Moncton is also very close to Shediac, Hopewell Rocks, and the Bay of Fundy with the highest tides in the world.

## Convention Survey

It would be our pleasure if you were to take our survey on your experience attending CCNA this year and in recent years. We want to do our very best to offer you an amazing convention. To that end your input would be valuable to us. Please take a couple of minutes and share your thoughts with us.

## CCNA XXXIV Newsletter
